

Montana Library Week

September 29 - October 5, 2013

What do you love about your library?

That's the question libraries across Montana will ask their patrons September 29 - October 5, 2013. Montana libraries will capture daily activity, comments and photographs to portray the life of the library in this week. The results will exemplify the invaluable services and benefits of libraries in communities across Montana.

For more information on how you can participate, ask your library staff.
